

Digital Density Meter Testimonial Virbac AH

A Rudolph Research Analytical testimonial from a Density Meter user.

Dear Mike, The density meter is working out great! We just ran about 16 lots on it and it is so much e much less room for error, when the specific gravity/density is calculated and printed out. Because of be products have flavoring agents added and having the DDM2910 reduces the exposure (odor) of the fla This is most appreciated when dealing with roasted meat aroma flavoring agents!

Thank You,

K.C.
